

SRIKANTH ARYA

A WEB DEVELOPER

PROFILE

Driven web developer with nearly 3 years of experience in web development, seeking to leverage strong technical skills and creativity to contribute effectively to a dynamic team and deliver innovative digital solutions. Passionate about building user-centric websites and web applications, with a focus on clean code, performance, and seamless user experiences. Eager to stay ahead of industry trends and continuously enhance development skills to create impactful digital products.

WORK EXPERIENCE

PPFW Web Developers

AUG 2024 - Present

Web Developer

As a solo developer, I successfully handled the full development cycle of six major projects: **Padmashali Matrimony**, **GSGRB**, **Audio Tunerz**, **Ram One Elevators**, **EMS**, and **Invoice System**. I was responsible for both frontend and backend development, along with testing and deployment for each project. My role included:

- **Frontend Development:** Designed and implemented user-friendly, responsive interfaces using technologies like HTML, CSS, JavaScript, and Bootstrap.
- **Backend Development:** Developed robust server-side functionalities with PHP, ensuring seamless integration with the frontend and proper database management.
- **Testing & Debugging:** Performed comprehensive testing to ensure functionality, responsiveness, and performance, resolving issues to deliver error-free products.

360DigiTMG

JUL 2022 - JUL 2024

Junior Web Developer

- **Web Development:** Design and develop responsive websites and applications using React, HTML, CSS, JavaScript, Bootstrap, and PHP. Ensure clean code, functionality, and performance through testing.
- **Collaboration & UX:** Work with designers and content creators to build visually appealing, user-friendly websites with a consistent experience across platforms.
- **Maintenance & Optimization:** Update and optimize websites for improved performance, SEO, and security, using data insights to troubleshoot and enhance the user experience.

Recordent Pvt. Ltd.

JAN 2022 - JUN 2022

Web Developer Intern

- Worked as intern in both Front End and Backend Development.
